Pinewood derby - Car kits are now on sale for this year's derby to be held on Saturday, March 17th. All members of the congregation (young and old) are invited to build a car or to come and enjoy the action on race day. We will be holding two clinics on Tuesday, February 13 for the making of the derby cars. The pit crew will be on hand to help you cut and sand your derby car and to give tips and tricks on making a fast car. Please have an idea in mind or sketched out when you arrive for the clinic. Stop by the table in the narthex to check out our books of past race car entries. We are also in need of three judges for race day. Judging is fun and takes about 45 minutes of your time. Please contact Lynette Wilm if you would like more information or to order a car for the derby. Let's make this the biggest one yet! We encourage ALL Pioneer members to make a car. If you have no idea on how to do it, we have many very qualified people who can help you out. Don't be shy, make a car and enjoy the fun.

A thank you from the Girl Pioneers: The Girl Pioneers would like to thank everyone who placed an order for Marcus products from our sale this year. We were able to raise enough money to provide our elderly adopted family with a very nice Christmas as well as to make a nice donation to the Love, Inc. foundation. Your generosity is very much appreciated. The girls learned something very special this year, as is stated in **Acts 20:35 "It is more blessed to give than to receive."** The reaction from our adopted family humbled those of us who made the delivery as we saw them weep tears of joy over the gifts we had given them. Thank you all so much for helping the girls to experience the gift of human kindness. What a wonderful experience it was!

Pioneer Waterpark adventure: Slips are in and we are all set for our afternoon at the park. The turnout is much larger than anticipated! If there are any families who would prefer not to ride the bus and drive on their own, please contact Lynette Wilm as soon as possible. Please remember to bring towels. Please do not be late that day, we would like the bus to pull out of the school lot promptly at 2:00. We should be back to the school no later than 8:00 p.m. that night.
